SIERRA MADRE, CALIF. THURSDAY, NOVEMBER 1, 1951

7 Cents a Copy

VOL. 45, NO. 51

Around
the Square

Here's a slip that probably left proofreaders on a Los Angeles paper blushing Tuesday. It had to do with a statement by Paul Burke, temporary president of the L.A. Board of Education, regarding a school bus contract. The "butch" went like this:

"The reason we are picking Tanner is that it brings competition into the bus contracts, and that's what we want."

That's not to say, of course, that the NEWS never has typos. Why, we remember the last one we let slip through. It must have been 10 or 15 years ago... Hmm! What was that you said?

One fourth grade boy had this to say following the "heckling" incident at the UN Day meeting at City School last week:

"Boy! It's a good thing the police got 'em before the sixth graders did."

In listing our classified ads for bookkeeping purposes, we at the NEWS usually just indicate the classification and the first word or two. This week we discovered a series of three ads, spread over a period of several months, that tell a complete story in only a few words. The listing:

"To Give Away: kittens kittens cat."

He hasn't said so yet, but Al Wetherbee probably is planning a "grand opening" for one of these days, following his enforced vacation. His pub, the Club Sixty, was closed down for 15 days by the State Board of Equalization for serving an underage youth. The boy showed a falsified "ID" card, Mr. Wetherbee says.

Let's all remember our important engagements for next Wednesday afternoon. Everyone should be proud to be able to "bleed" just a little for the men doing our fighting.

County Sees
Flood Hazard
On Lots

Harold Spears will not be able to build on seven of his proposed 15 lots until "flood hazard" conditions there are corrected.

The Planning Commission last week heard a report from the Los Angeles County Flood Control regarding Mr. Spear's subdivision.

"The property between Auburn and the high ridge along the west property line will be subject to infrequent but serious flood hazard until the flood protection is constructed," the report stated.

In view of the report, the planners said Mr. Spears will not be able to build on those lots until the flood condition is cleared.

Merchants Start Contest

The Sierra Madre Businessmen's Association yesterday launched a "suggestion" contest for how to best decorate the Kersting Court Triangle for Christmas.

Any resident, adult or child, is eligible to enter the contest. Entries should be briefly written with a rough sketch of the Christmas suggestion included, if possible.

Ideas should be based on the assumption that there will be

HIGH-STEPPING it for the Civic Club's Gay Nineties Revue are these chorus cuties billed as "The Old Camptown Jockeys." The melodrama, quaintly titled "He Done Her Wrong" or "Wedded But No Wife," is scheduled for two Saturday evenings, Nov. 3 and 10, at the Foothill Community Jewish Center, 212 N. Lima. Proceeds from the show will go toward buying mirrors for iron lungs and to the National Arthritic Foundation. Chorus girls, left to right, are Elsie Ohs, Mary Stirtan, Jean Tate, Bonnie Hoover, and Gwen Dewey. Cynthia Ellet, also in the act, is not in the picture.

Shippey Says He'll
Run for Congress

Lee Shippey today formally announced his candidacy for Congress from the new 21st District. It marked the first time a Sierra Madrean has run for Congress, and Mr. Shippey is the first person to definitely say he will file for the office in this district. The best-seller author and columnist said he would be a candidate on both the Republican and Democratic tickets.

In his statement to the NEWS, Mr. Shippey said he had agreed to run "in hopes of proving something I think is of great importance to our country—that one does not either have to be rich or accept favors from lobbyists or others with axes to grind in order to seek high office."

"Though I have never before thought of seeking office," he stated, "I always have taken keen interest in politics, and have become alarmed by the rising costs of campaigns. It is dangerous to our country when \$30,000 to \$50,000 has to be spent to elect a man to a job paying a fraction of such amounts."

"That either bars an average man from competition, which is undemocratic, or encourages him to accept favors with strings attached. Such contributions have become a basic evil and in many cases have led to moral breakdown."

Mr. Shippey explained that he has placed a "condition" on his agreeing to run. The condition: "that no billboard advertisement be placed on the property."

Art Johnson
Found Shot
To Death

Arthur Johnson III, prominent resident here for 40 years and a former Sierra Madre policeman, died Monday afternoon from apparently self-inflicted gunshot wounds.

Mr. Johnson, a member of the volunteer fire department since 1937, was found dead at 2:45 p.m. with a .22 revolver lying nearby.

Funeral services will be conducted at 11 a.m. this morning, Nov. 1, at Grant Chapel, the Rev. Carl Smith officiating. Private committal will follow at Pasadena Mausoleum.

Mr. Johnson was a native of Wilkinsburg, Pa., and was a member of the local Congregational Church. He resided at 154 E. Sierra Madre boulevard.

He is survived by his wife, Hilda C.; a daughter, Mrs. Caroline Davis, of Van Nuys; his mother, Mrs. Sue E. Johnson of Long Beach, and a grandson, Jeffries Barrett Davis.

100 Residents
Welcome Baker

One-hundred Sierra Madreans were on hand last Thursday night to welcome R. Merritt Baker, acting city administrator who assumed his new duties last month.

The reception dinner, held at the Woman's Clubhouse, was sponsored by the Lions Club.

Besides the remarks by Mr. Baker, speaker of the evening was Col. H. E. Hedger, chief engineer of the Los Angeles County Flood Control District.

Police to Auction
Unclaimed Articles

If you've lost something or have a bent for bargains, be at the City Hall Saturday at 2 p.m.

The Police Department will be auctioning off numerous articles of unclaimed, lost property. The accumulation, which dates back two or three years, includes three bicycles, a Swiss wrist watch, several "skeeters," and a waffle iron.

Pvt. Alexander
Serves in Korea

Pvt. David Alexander Jr., son of Mr. and Mrs. D. E. Alexander, 200 Olivera Lane, is serving with the 7th Infantry Division in the front lines of Korea, an Army dispatch dated Oct. 14 reported.

The division, now attacking Communist positions in rugged mountain terrain above the 38th parallel, is a veteran unit of the war and has been in Korea more than a year.

Private Alexander, who is a rifleman in K Company of the 31st Infantry Regiment, received his basic training at Fort Ord, Calif.

SOME STATE TAX MONIES
RETURN FOR LOCAL USE

By STAN CANN

Although many people think they "kiss goodbye forever" tax money for gasoline, alcoholic beverages, and vehicle licenses, this isn't necessarily so. In Sierra Madre, for example, the city will receive from the state an amount equal to five-sevenths of all the anticipated city tax income for general fund purposes.

Minus the administrative costs, the amount is virtually the same as was painfully removed from Sierra Madreans through these three state taxes.

City Administrator R. Merritt Baker announced last week that the total from "state subvention grants" will come to about \$50,367. State Controller Thomas H. Kuchel estimated that the figure will be broken down as follows: \$26,947, motor vehicle license or "in lieu" tax; \$20,920, gasoline tax; and \$2500, alcoholic beverage tax.

The local anticipated tax income for general fund purposes, based on the city's \$1 general tax rate per \$100 assessed valuation, is \$70,759.84.

YOUNG GOP
CLUB HITS
UN HECKLERS

A strongly-worded resolution by the Sierra Madre Young Republican Club lashed out this week at the hecklers who disrupted the United Nations Day meeting at City School.

The resolution, authored by Lincoln Paschall, USC student, denounced the "ill-informed remarks and actions by hysterical people of little knowledge and of sadistic spirit (who) seek to lynch their fellow citizens by label, such as damning the indispensable United Nations..."

The Young Republicans cited the "callous bigoted manner and the erroneous information which abusively was directed towards the UN" last Wednesday during the assembly attended by pupils from Sierra Madre's three schools.

Hecklers, purportedly from the American Flag Committee, shouted "traitor" and "Communism" during Mayor William A. Kinney's speech. The noisy quartet, led by Mrs. E. T. Turner, was dispersed.

Turn to page eight

Blood Bank Visits
Town WednesdayPUT IT OUT
NIGHT BEFORE

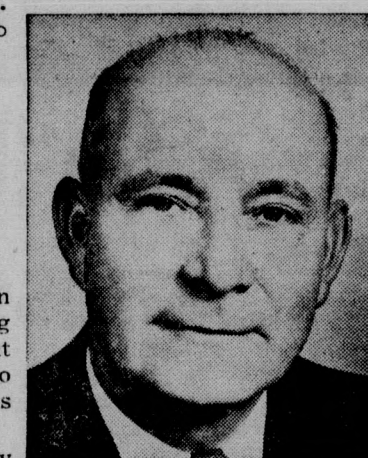

"Put it out the night before pickup day," was Mrs. Martha Matoian's reminder for Sierra Madreans this week.

Mrs. Matoian, city garbage and tin can contractor, reported that many householders are forgetting to leave their garbage and can receptacles out in the parkways until her workmen already have passed.

"In order to finish the work on schedule," she explained, "we begin very early in the morning—much earlier than many people get up. Putting it out the night before will help us a lot."

International
Director Will
Address Lions

Albert M. Eagler, a director of Lions International, will address the Sierra Madre Lions Club at a joint meeting tonight

ALBERT M. EAGLER
... speaks tonight

with the East Pasadena and Altadena clubs.

The dinner meeting will be held at the Woman's Clubhouse, starting at 7:15.

Mr. Eagler, a life and charter member of the West Los Angeles Club, also has served the Lions as zone chairman, deputy district governor, and district governor. He was elected as an international director at the Lions convention held in Atlantic City last June.

Judge Rules
Against Col.,
Mrs. Thurber

In a ruling that left Sierra Madre city officials slightly red faced, Superior Court Judge Frank G. Swain this week decided against Col. and Mrs. Ruth Thurber in a zoning dispute.

The court issued a preliminary injunction to the Thurburs Tuesday, preventing them from carrying on with their building of a second house on their R-1 property.

The matter now will be set for trial, with the Thurburs either being permanently enjoined from building or getting a "green light" to proceed.

Judge Swain ruled, in effect, that in order for a person to build a house in a R-1 zone, he must have 7500 square feet surrounding the house. That is, if a person's property measures 15,000 square feet in area, he must divide it into two equal parts in order to build two houses. Each house, in other words, must have 7500 square feet the court said.

Colonel and Mrs. Thurber believe they should be able to build a house on the entire lot without having to pay anything.

SIERRA MADRE'S QUOTA
PLACED AT 200 PINTS

Individuals and groups swung their support behind the local Red Cross Chapter this week as final plans were completed for the ARC Blood Bank, to be held Wednesday, Nov. 7, from 3 to 7 p.m., at the Woman's Clubhouse. Pledging their support under the Group Participation Plan, whereby organizations and businesses may contribute blood and later draw upon it for their membership, were the following:

Mariners of Bethany Church, St. Rita's Altar Society and Mothers' Club, Concorso of Congregational Church, Sierra Madre Community Nursery School, employees of the Post Office, Parent-Teachers Association, Lions Club, Ascension Mothers' Club, Civic Club, Girl Scouts, Passionist Fathers, R. A. Hawks Company, Sierra Engineering Company, and Kiwanis Club.

Individuals wishing to participate were reminded that baby sitters will be available throughout the four hours of the bank, and that transportation will be provided anyone calling the Red Cross Chapter House, Custer 5-6183.

Besides commenting on the necessity of giving blood at this crucial time, Chapter Chairman R. C. Lewis also reminded residents that blood put into the bank "draws interest" for the donor.

That is, anyone giving blood through a Red Cross blood bank

Turn to page four

City Accepts Bid
For Triangle Work

The low bid of C. B. Royce Construction Company was accepted last week for the city's part of the Kersting Court Triangle development work.

The company's bid was \$2777. The city had committed itself to "a maximum of \$3000" for the work, which will include the construction of walls and walkways and paving.

Two other construction firms bid on the job. Plans for the development were prepared by Landscape Architect C. Jacques Hahn.

The contract was formally let at an adjourned meeting of the City Council Tuesday night. The construction firm plans to begin work by Nov. 7 and complete the job within about 30 days.

Delegates Vote 'In'
'51 Celebration

Future City-wide celebrations or festivals seemed assured this week, but what form they will take still remained pretty much of a question mark. At the preliminary meeting Monday night, the 40 some delegates attending from Sierra Madre organizations voted (1) to have a celebration conducted by the community as a whole; (2) that it be organized to "raise money for the community good"; and (3) that a steering committee of three be appointed to set up the next meeting—a meeting out of which a permanent planning body will come.

The "question mark" arose over the issue of a carnival. Several representatives came to the meeting with definite instructions on how to vote on the carnival; several had not polled their groups on what stand to take. Chairman Pro Tem Harold E. Hamm felt that having or not having a carnival was a thing to be decided by the permanent committee.

After several attempts were made to put the carnival question to a vote Monday, a compromise solution was reached.

Turn to page four

FUND DRIVE
STILL SHY
HALF GOAL

With roughly half of their quota still uncollected, Sierra Madre's Community Fund Drive workers this week were renewing their canvassing efforts.

Drive Chairman Hugh Warden reported yesterday that approximately \$2500 has been collected so far in the campaign to benefit seven local civic needs. Goal of the drive this year is \$4928.56.

The Community Fund Drive is Sierra Madre's counterpart of community chest campaigns in other cities. It helps meet the financial needs of Boy Scouts, Girl Scouts, Campfire Girls, Toy Loan, YMCA, Community Nursery School, and Visiting Nurse Association.

Garden Club
Essay Contest

"How to Make Our City More Beautiful" is the subject for the Garden Club's essay contest which started this week.

Purpose of the contest, open to the sixth grades of all three Sierra Madre schools, is to "encourage realization of each citizen's responsibility to his own city and its improvements," according to Mrs. Noren Eaton, Garden Club president.

Essays—not more than 100 words in length—must be written at school and turned in by Nov. 30.

Judging, based on thought, composition, and neatness, will be handled by F. D. R. Moote, L. W. Lisle of the Planning Commission, and Edward N. Voorhees, former English professor.

Strange Forest Sounds Terrorize Young Fawn

(Editor's Note: This is the second installment of Percy L. Bonebrake's story, "The California Deer." The first chapter described the fawn's first uncertain steps after birth and his initial exploratory trip through the forest wilds.)

By P. L. BONEBRAKE

The doe, with her nostrils widely distended and ears working rapidly back and forth to catch the faintest sound which her wild mother-love magnified a thousand fold, moved off several hundred yards and took her post where the faintest breeze would give her warning of an enemy. She could see and hear nearly everything that happened in the canyon, and yet she was far enough away to attract the attention of any wandering lion or lynx from the fawn to herself—an all-wise providence having made it impossible for any animal to scent a young deer the first few days of its life, thus protecting the helpless young thing.

She occasionally cropped a little of the luxuriant feed and stopped between hasty mouthfuls to carefully survey the country. She was very thirsty and after awhile made her way to the spring, and when she reached it, took great long draughts of its sweet, cool, life-giving water. After slaking her thirst, she felt like a new deer, and suddenly remembering her fawn, set off down the trail at a hurried pace, gradually hastening her speed until she was traveling at a very fast trot.

As she neared the hiding place of her baby, she struck a wide one-half circle, carefully smelling the ground and breeze with eyes and ears alert, but finding nothing suspicious, walked boldly up to its hiding place.

He was still sleeping soundly, but awoke at the first caressing touch of his mother. He lay stretching his neck around and trying its new-found muscles for awhile and finally got up, but after eating a big dinner he again lay down and went to sleep, while his mother moved off in the brush to take a much needed rest.

A little while before sun-up the doe awoke and made her way down to the old tree. The little buck had been awake for a long time, wondering and wondering when his mother would come. He was hungry and cold and lonely; the "whooh whooh" of a big owl had kept him frightened nearly to death, and as he lay listening to the throbbing of his little heart, he was a very miserable little deer, indeed. To add more, he heard the brush rattle and the footsteps of his mother as she came carefully towards his hiding place. Stretching his neck out until his head was flat on the ground, and his big ears tucked back on his neck, his eyes nearly popping out of his body, occupying as little space as possible, he was the picture of abject terror. He was not thoroughly familiar with the appearance of his mother, and not until she gave a subdued "maah" was his apprehension relieved.

(To be continued)

Griffith Park Opens Constellation Show

Another treat is in store for Southland stargazers tonight, Nov. 1, at 8:30 when Griffith Park Observatory's fall planetary feature, "Learning the Constellations," makes its bow to the public.

"During the one-hour November show," said Dr. Dinsmore Alter, observatory director, "we will present easy ways to remember the classical outlines of the constellations as they appear in the sky among the stars. The constellations and the most important individual stars will be pointed out and named."

Muir Slates Screen Tours

Audubon Screen Tours will bring five of America's best-known naturalists and wildlife photographers to Pasadena this season under the auspices of the John Muir Patrons' Association and the National Audubon Society.

The screen tours, to be held in the John Muir College auditorium, include five illustrated lectures featuring natural color movies and wilderness scenery from all parts of the continent.

Lecture dates follow:
Nov. 29, "Western Discovery," Laurel Reynolds.
Jan. 21, "Our National Parks," Leonard Hall.
Feb. 26, "Trails for the Millions," Allan Cruikshank.
March 24, "Wings and Tails," Harold M. Hill.
April 30, "Canada North," Bert Harwell.

All programs begin at 8 p.m.

Playhouse Plans Four Concerts

The San Gabriel Valley Philharmonic Artists Association will present Camilla Wicks as one of its four concerts during the coming season at San Gabriel Mission Playhouse.

Miss Wicks, appearing on Dec. 2, has a double-source of recognition, according to Lorne B. Pratt of Sierra Madre, playhouse manager. She is hailed by critics for her musical genius on the violin and is also said to be the most glamorous violinist on the stage today.

Mr., Mrs. Paulus Move into Town

Mr. and Mrs. Henry J. Paulus, from Montebello, are recent newcomers to Sierra Madre, living at 75 E. Miramonte.

Mr. Paulus is a retired hardware merchant. They have been here several weeks.

BETHANY CHURCH will present the Westmont College Male Quartette of Santa Barbara at its evening service Sunday, Nov. 4. Specializing in sacred music, this group is selected and trained by John Lundberg, professor of music at Santa Barbara College and a member of the Old Fashioned Revival Hour Quartet. Left to right are Don Rutledge, first tenor; Albert Witt, second tenor; Richard Ullman, baritone; John Morgan, bass; and James De Saeger, accompanist. The quartet will be in complete charge of the 7:30 p.m. service.

SCOUTERS PLAN ANNUAL DINNER

Plans are going ahead this week for the Annual Scouters' Dinner, to be held Monday, Nov. 19, at the Woman's Club house.

New officers for Sierra Madre's Boy Scout District will be installed during the evening, said R. G. Barrett, district commissioner.

Your Kitchen Counsellor

FLORENCE HUNDLEY
Southern Counties Gas Company
Home Service Director

FOR THE AL FRESCO SUPPER

Don't let hot weather interfere with your pleasure in having friends in for a meal. Plan an easy menu and invite the crowd. Then, serve supper out of doors if you can. Or throw the windows open wide and use the same easy serving style you'd adopt for the al fresco meal.

FEATURE ONE HOT DISH
Feeding a gang is no trick at all if you turn your major cooking efforts to one main dish that's hot and hearty. Something that's made in and served from the same utensil is ideal for the summer supper party.

Further, you can get it partly made early in the day—refrigerate—and finish the cooking in time for supper.

SAVORY TAMALES

1 1/2 C. yellow corn meal
1/2 tsp. salt
6 C. boiling water
1 lb. sausage
1/2 lbs. ground beef
1 clove garlic, minced
2 large onions, chopped
1 green pepper, chopped
1 C. chopped celery
2 tsp. salt
3 tsp. chili powder
Sprinkling of cayenne
4 drops of tabasco sauce
C. solid pack tomatoes
2 C. whole kernel corn
1 C. pitted ripe olives
10 oz. cheddar cheese, grated
Stir corn meal and salt slowly into boiling water. Use top part of double boiler over direct flame. Cook, stirring constantly, until smoothly thickened. Place over hot water, cover and cook 30 min. Let corn meal mush partially cool. Brown sausage in large deep skillet. When most of fat is fried out, remove all but about 1 tablespoon of fat. Brown ground beef with sausage. Add garlic, onions, green pepper, and celery and saute for about 5 min. Add salt, chili powder, cayenne, tabasco sauce, tomatoes and corn. Let simmer for 15 min. Line the bottom and sides of large shallow oiled baking dish (about 10x14x2") with about 1/2 of the partially cooled mush. Fill with meat mixture. Sprinkle with cheese and drop spoonfuls of the remaining mush on top. Press ripe olives into drops of mush. Set modern gas range oven heat control at 350° and bake for 1 1/2 hours.

PEACH CREAM SHERBET
3/4 C. crushed fresh peaches
1/4 C. sugar
1/4 C. lemon juice
1 tsp. unflavored gelatin
2 Tbsp. cold water
1/2 C. boiling water
1/2 C. whipping cream
1 egg, separated
Mix crushed peaches, lemon juice and sugar and chill for an hour or two. Soften gelatin in cold water and dissolve in boiling water. Stir gelatin into fruit mixture and freeze until almost firm. Whip cream. Beat egg white until stiff and yolk until light. Fold egg into whipped cream. Put partly frozen fruit mixture into a chilled bowl and beat until frothy. Fold whipped cream mixture into fruit. Return to freezing tray and freeze until firm.

Dan Totheroh's New Comedy At Playhouse

Southland seismographs of laughter will come in for some markings when Dan Totheroh's new comedy "Once Upon an Earthquake" hits Pasadena Playhouse stage this evening, Nov. 1.

The mirthquake from this particular earthquake centers around San Francisco in the days of 1906, a pleasant Alameda family and the entrance of one mother-in-law who came round the Horn and won't let anyone forget it.

Dorothy Stone, Byron Foulger, Marion Kerby and Carol Stone head a distinguished cast, with Robert Foulk, Madge Blake, Janet Comerford, Barry Curtis and others in top roles. Co-directing credit is shared by Ruth Burch and Philip Van Dyke.

"Once Upon an Earthquake" was originally titled "Mother Isn't Strong," and, following its Playhouse opening, is slated for a national tour before Broadway premiere. The Totheroh comedy is a happy meld of warm humor, amusing folks and earthy truths.

Julie Conzelman Named to Muir Student Office

Sierra Madre John Muir College student, Julie Conzelman, has been named commissioner of notifications on the Associated Student Cabinet by the Muir student body, according to Reynolds Crutchfield, associated student body president.

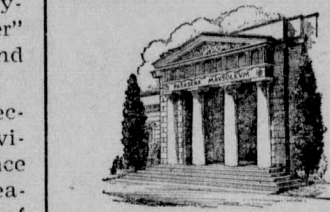

Miss Conzelman lives at 658 Mariposa.

Motorist Antes Three Dollars

Three dollars was the "price tag" on failing to display car registration and overtime parking as imposed by Judge John C. Mead Saturday.

Paying the fine was Autley Musselwhite of 5121 1/2 Eagle Rock boulevard, Los Angeles.

CUB SCOUT PACK ONE WELCOMES 6 NEW BOYS

Advancement awards were presented many Cub Scouts of Pack 1 at the last monthly pack meeting. Highlighting the evening was the initiation into Cubbing of six boys: Stanley O. Coutant (Den 2), Brian C. Shamlan (Den 5), Charles L. Toms (Den 5), James D. Hutter (Den 7), Scott A. Bouvier (Den 8), and Harrison M. Bains (Den 8). George Gruber was graduated from Cubbing to Boy Scouting.

Mrs. Martha Coutant and Mrs. June Toms were introduced as new mothers of Dens 2 and 5 respectively.

Other Cub Scout awards were presented to:

Den 2 — Anthony Leonardi-Cattolica (BSA and Assistant Denner Stripes), Michael Goldberg (WGA and Denner Stripes), William Galloway (LGA and 2 year Pin), Paul Jacobs (3 WSA), Philip Jacobs (2 year Pin), Most Advancement Awards and Best Behavior Award.

Den 3 — Robert Kingsbury WSA), Ralph "Jack" Steele (2 year Pin), Philip Jenkins (2 year Pin), Foster Buckner (2 year Pin) 100% Cub Attendance Award and Visitor Attendance Award.

Den 4 — Richard Dewey (Denner Stripes and 1 year Pin), Roger Skutt (Wolf Badge), Robert Schahn (Wolf Badge), Donald Blumenstock (1 year Pin), Peter Ward (1 year Pin and Assistant Denner Stripes).

Den 6 — George Gruber (Lion Badge and 1 year Pin), Francis D. Trowbridge (WSA), Jan Hoover (1 year Pin), William Hardwick (1 year Pin) 100% Cub Attendance Award.

Den 7 — Thaddeus Montgomery (Denner Stripes and 2 year Pin), Timothy Scalzo (Assistant Denner Stripes and WGA and WSA).

Den 8 — James Bennett (Wolf Badge), John Bennett (Wolf Badge), Peter Stine (2 year Pin), Richard Neumann (2 year Pin), Joseph Scalzo, Jr. (2 year Pin), Philip Woodard (2 year Pin).

NEW BLAST FORMS MUSHROOM

LEAPING OFF NEVADA DESERT, third of current series of atomic explosions forms mushroom shape. Note secondary ice cloud above top of mushroom. Observers rated it strong blast although no windows were broken in nearby Las Vegas. (International)

GHOULISH SCENES DOMINATE WINDOWS OF LOCAL STORES

Sierra Madre's business district became downright ghoulish Saturday morning when youngsters from three schools "expressed themselves" with paint and brush on local store windows. All inhibitions were cast aside as the budding artists freely splattered their interpretations of the Halloween theme. Sid Westfall, chairman of the contest, sponsored by the Lions Club and parent-teacher organizations, estimated that 200 boys and girls took part in the window painting.

Cash and gift prizes were donated by Sierra Madre merchants. Three cash prizes were given in each grade bracket, plus a consolation gift for fourth prize.

Judges were Mrs. Leo Meyer, housewife, and two local artists, Marvin Weese and Bernard Wynne.

Grand prize winner (\$10) was the window at Jessie Dunning's Gift Shop, number 96, painted by Donna Simpson and Maurine Kinney, fifth grade pupils at St. Rita's School. Their entry depicted a ghostly barnyard, complete with a wicked witch brooming her way through the sky.

Mr. Westfall announced other winners as follows:

FOURTH GRADE: Doris Hoeneman, No. 53 at Sierra Madre Hardware, \$5; Janet Dickson and Carol Ann Colvin, No. 23 at LaLone Cleaners, \$3; Dick Dewey and Peter Ward, No. 59 at Rikeman's, \$2; Leah Thompson and Lorene Lauchlan, No. 20 at Safeway, gift.

FIFTH GRADE: Ralph MacDonald, Billy Collins, and Jerry Page, No. 37 at Peg's Lunchroom, \$5; Bert Pedigo and Bud Galloway, No. 84 at Arnold's Hardware, \$3; Diane Toms and Alison Mecke, No. 68 at Garland's 5 and 10, \$2; Margaret Stewart and Mary Grace McWade, No. 55 at Sierra Madre Hardware, gift.

SIXTH GRADE: Mary L.

FIRE AUXILIARY GETS 2 MEMBERS

Two new members were appointed to Sierra Madre's auxiliary fire department last week, bringing the total membership to 12. The regular volunteer fire department has 20 members.

Confirmed by the City Council for the auxiliary were Willard Diemer, 88 Lowell, and William Kelley, 67 1/2 W. Miramonte.

FIRE FLAMES

Oh! brother, that beautiful rain! To the men of the fire department that adds greatly to the digestion.

At least for a few days, we can feel that a spark will be delayed to start a fire. This rain was predicted by our new patrolman at the ranger station on Santa Anita avenue and to him goes this week's award.

Rupert Pole, who is now in charge at the Sierra Madre Ranger Station, seems to have a sense of smelling rain. We must go to him to learn of the next one. If at all possible we shall have him bring rain along about once a week for awhile.

This one little rain does not mean that we are out of danger by any means. If you will only take a look at the hillside brush—you will find that the underneath is dead and quick to dry. It also is quick to burn. There is never a time when the mountain brush will not burn if it gets half a chance... and there is no use encouraging it. Then—all we have to do is continue to be careful even though the ground is wet.

As we near the end of October, we are reminded that preparations for the coming Christmas Party and Dance are in order. The one big affair of the year in fire fighters' circles demands much time and effort and is one that is looked forward to by the residents of our city. Old Santa Claus is brushing up on his technique and a lot of apparel is being brought from the moth balls.

It sincerely is hoped that one of these days, Sierra Madre will be able to have a building big enough to accommodate this annual frolic.

Incinerators! How many people really know how to use one to the best advantage? To look into one and find tin cans, bottles, garbage and other materials that should never have been there proves that little

Man Confers with Research Engineers

John Meursing, 650 1/2 W. Montecito, returned last week from a business trip to Detroit and Los Alamos, New Mexico.

In Detroit he attended the National Metals Congress, and in Los Alamos the Sierra Madre consulted with research engineers of the Atomic Energy project on tensile strengths of various metals.

knowledge as to the use is shown.

An incinerator should be used only for burning dry materials that will actually burn fast and without smoke. It is unlawful to place garbage in an incinerator. In fact, any material that creates an obnoxious odor is taboo by law and by law.

If you want to operate your incinerator with good success, keep it cleaned out. Use your shaker and remove all burned ashes. Form a good draft by having the bottom open so air can pass through. Keep the vent screened to prevent sparks from soaring through the air.

Never throw a pile of magazines or packed newspapers into it. These will eventually get wet from some source and create nothing but an awful odor... an odor that annoys the neighborhood. It's easy to keep your incinerator clean. Why not try it?

Let's keep the Fires Out and report another low fire loss year.

WORRIED ABOUT CLOTHES SHRINKING?

LETTERS TO THE EDITOR . . .

Editor,
Sierra Madre NEWS.

My suggestion for a name for the down-town area is simply "The Plaza."

Every Spanish town has its Plaza—and, although our town is not Spanish, the name is. And how convenient and unmistakable-in-location would be such announcements as: "Friday night—Dance in the Plaza;" "The Parade will march East on Sierra Madre Blvd. to the Plaza, then North on Baldwin;" "Band Concert in the Plaza," etc., etc.

The Plaza is always in the center of town, and all activities of the town are built around it.

Sincerely,
Mrs. Patricia H. Witter
169 N. Mountain TrailNEW CAMP FIRE
GROUP FORMS

A newly organized Camp Fire Girls Group "flew up" May of this year. The girls chose for their group name, "Han We Ma," which means "hands and friendship." Their leader is Mrs. Marguerite Bowman. Officers duly elected are Donna Thrasher, president; Michelle Panetter, vice-president; Barbara Bancroft, secretary; and Lona Lee, treasurer. Gail Ann Higgins is in charge of publicity.

The group will work during the year to pass their Trail Seeker's Route. As a part of their tests, the girls participated in a hike Saturday, Oct. 27, accompanied by Mrs. Wanda Lee Thompson and Mr. and Mrs. Bowman.

Mrs. Matoian
Wins in Auto
Tampering Case

Mrs. Martha Matoian was found not guilty of "car tampering" in City Court Saturday.

Judge John C. Mead ruled that the complainant, Tom H. Gonzales, had not shown positive proof of unlawful tampering in the legal sense. The complaint charged that Mrs. Matoian removed the ignition keys from his car while it was being gassed at a local service station.

In court, however, Mr. Gonzales conceded that he did not actually see Mrs. Matoian remove the keys and that she gave them back immediately after being told to by Officer James C. Heasley.

"There was no apparent intent to injure or damage the car," said Judge Mead in dismissing the charges. "This actually is a civil matter."

At Los Angeles Superior Court Monday, Mr. Gonzales appeared against Mrs. Matoian again on another matter, ownership of her city garbage and tin can business and a truck.

CONVALESCING

Mrs. Miss Bageman, 75 N. Baldwin, who recently underwent a serious operation, is recuperating at her home.

BLOOD BANK

From page one

may, anywhere in the Los Angeles area, remind surgeons and hospital attendants of that fact should he need blood at any time.

Volunteers, under the direction of Mrs. John E. Conzelman, were completing the work of telephone solicitation and receiving their assignments for working as staff aids, canteen aids, nurse aids, and registered nurses on Wednesday.

Sierra Madre's quota is 200 pints, out of a national quota of 2,800,000. Red Cross officials reminded citizens that the ARC is the chosen representative for the Armed Forces, in the collection of blood.

LOCAL NAVY MAN AT SEA

Joseph L. Davis, seaman, USN, formerly of Sierra Madre, is serving aboard the destroyer escort USS Nicholas in the Far East. The Nicholas is operating with other units of the UN forces afloat prosecuting the Korean conflict. Seaman Davis is the son of Mrs. Beulah M. Davis of 185 Grove St.

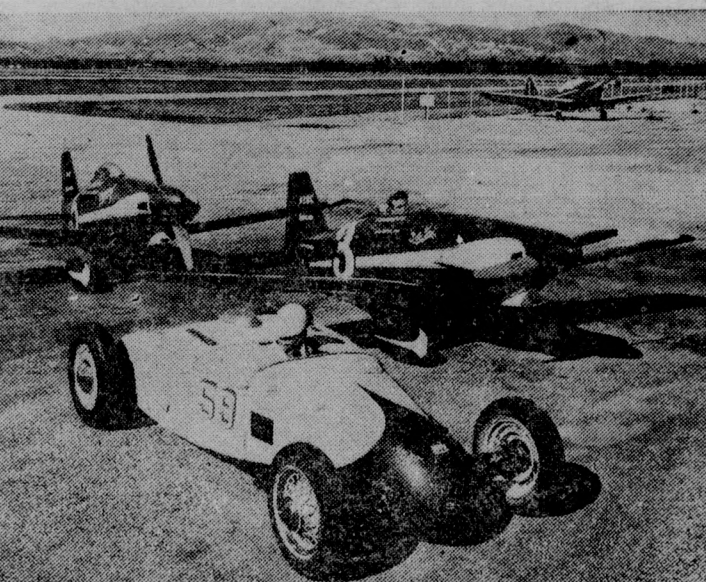

WEEKEND VISITORS

Mrs. B. Greiner, 275 W. Montecito, was a weekend visitor at her son's home in Glendale.

FIGHTERS GET TOGETHER IN N. Y.

STILL BEARING marks of recent bout, ex-Heavyweight Champion Joe Louis (left) and Rocky Marciano, who beat him on TKO in eighth round, chat as they meet in New York's St. Nicholas arena. Louis is expected to announce retirement. (International)

MOTORAMA—Many of the world's greatest hot rods and midget racing planes, similar to those above, together with virtually every type of custom, antique, "futuristic," classic, and foreign car, motorcycles, boats, and automotive and racing equipment will be on display at the \$2,000,000 Los Angeles International Motorama at Pan Pacific Nov. 7 through 11.

WISCONSIN VISITORS

The Frederic Schweppe, 182 N. Lima, and the Robert Ostis, 318 W. Montecito, recently entertained week-long visitors from Shawano, Wis. Mr. and Mrs. Edgar Arndt (he is Mr. Schweppe's cousin), owner of a large cheese factory in Wisconsin, and Mr. and Mrs. Reinhardt Lange, who saw the sights of our area for the first time, left Sunday by car for home.

PIONEER DAYS

From Page One

Official delegates will discuss it among their respective groups and come to the next meeting, on Nov. 19, prepared to vote.

A representative from Harter WCTU had stated that "we want to be sure there will be no rowdiness or liquor." Her view was shared by several others present.

Larry McGinnis, representing the Lions Club, asked pointedly:

"Why bring up the question of 'Demon Rum'? The carnival had nothing to do with beer being served on a nearby lot during past Pioneer Days."

Mayor William A. Kinney asked for a definition of "carnival" and suggested it should be decided upon first. "The good and bad points of having a carnival should be aired and, then, let the committee decide." "Well," said W. Murray Hawkins of the Garden Club,

WOMEN ATTEND
LEADERSHIP
TRAINING GROUP

Five Sierra Madreans attended the leadership training group of the United Church Women during the two days of sessions last week at Wilshire Methodist Church in Los Angeles.

Attending from here were Mrs. Gertrude Embree, Mrs. Jesse S. Smith, Miss Mabel Shott, Mrs. Emma Wright, and Miss Martha Pritchard.

"World Community Day" will be observed by United Church Women's groups throughout the nation tomorrow, Nov. 2. Several local residents are planning to attend the services to be held from 10:30 a.m. to 3 p.m. at Lincoln Avenue Methodist Church. Featured morning speaker will be Dr. Elsie Farris, Long Beach attorney and world traveler.

RETURN HOME

The Al Weatherbees of East Montecito avenue, have returned from a vacation in Encinitas.

"If it is the same type of carnival we had last time, my instructions are—no carnival."

Appointed to the "temporary committee" were Mr. Hamm, Francis Eakman, and Mrs. Daniel L. D'Arcy, president of the Coordinating Council.

The next open meeting on the subject, to which all organizations again are invited to have representation, will be held at 8 p.m., Nov. 19, in the school cafeteria.

ATTEND TEA

More than 25 women from Bethany Church attended the Annual Tea given by Women's Auxiliary of the Fuller Theological Seminary, Thursday afternoon, Oct. 25, in Pasadena. The Auxiliary ministers to Seminary students and families.

LEE SHIPPEY

From page one

vertising or other costly effort be put forth in my behalf, and no contributions accepted which will put me under any obligation except to my country, my district, and my conscience."

Concerning his political affiliation, the Sierra Madrean said he is a Democrat, "but (I) believe in putting Americanism above partisanship."

"I will not run against anyone, but only for a chance to serve honorably," Mr. Shippey emphasized. "If elected, I will deeply appreciate that crowning honor to my career."

The candidate has resided in Sierra Madre 24 years, and his five children all were reared here and attended Pasadena City College. During his 24 years here, he has written a chatty and helpful human interest column in the Los Angeles Times. He has authored nine books, five of which made best-seller lists in New York and two of which were published in England as well as in this country. The Shippey family has appeared in print as "The Seymour Family" and on the stage as "The Great American Family."

Born in Tennessee, Mr. Shippey grew up in Missouri. His father died when Lee was 15, and he had to go to work as a laborer. He continued at this until a proofreader heard of his interest in books and offered him a job as copyholder.

Mr. Shippey worked nights and attended school three hours daily until his apprenticeship when he became a proofreader and a member of the Typographical Union. At that point, an accident left him with impaired vision and he had to give up proofreading.

Services Conducted
For Mrs. Bischoff

Funeral services were held Friday at Grant Chapel for Mrs. Marion Sylvia Bischoff, 185 Santa Anita Court, who died Thursday, Oct. 25, at a Pasadena hospital.

Mrs. Bischoff had been ill for some time and had been in the hospital for 12 days.

A resident of Sierra Madre for seven years, Mrs. Bischoff was a member of the local Order of Eastern Star Chapter. She was a native of Massachusetts.

Mrs. Bischoff is survived by her husband, Carl, a son, Bruce Richard Bischoff, both of Sierra Madre; a sister, Thelma Knowlton, her mother, Mrs. Harriet Pullen, both of Franklin, Mass.; and a sister, Helen Carlson of Burwin, Ill.

The Rev. Carl Smith officiated at the services Friday. Private committal was at Pasadena.

NORTH CAROLINA VISITORS

Dr. and Mrs. E. I. Bugg, Jr., brother-in-law and sister of Mrs. Peter Ward of 209 W. Highland avenue, have returned to their home in Durham, N. C., after a week's visit in Sierra Madre, enroute from the 1951 meeting of the Twentieth Century Orthopedic Club in Portland, which they attended.

The popular lecturer then tried to enlist in the Army during World War I but, as he himself puts it, "I couldn't tell lieutenants from generals at 10 feet and was rejected." He finally got to the war as a correspondent and served with distinction for several months.

The recently-formed 21st Congressional District numbers approximately 68,000 registered Republicans and about 84,000 registered Democrats.

BETHANY CHURCH GROUP TO HEAR MISSIONARIES

A program of unusual interest has been arranged for the Tuesday, Nov. 6, meeting of the Missionary Society of the Bethany Church, which will begin at 10:30 a.m. at the Church. During the morning meeting, Rev. W. Dayton Roberts, Director of the Radio and Literature Department of the Latin America Mission, and who has come directly from Columbia, South America, will bring a stirring message. His radio station is known as the "Lighthouse of the Caribbean," the Harry Strachan Memorial.

At noon a covered dish luncheon will be served, after which devotions will be led by Mrs. Charles Woodbridge, wife of Dr. Woodbridge of the Fuller Theological Seminary.

In the early afternoon, Chaplain Russell Honeywell, Director of the Far Eastern Bible Institute and Seminary, and also Philippine Field Chairman, will speak. Chaplain Honeywell is well known and loved by former service men in our own vicinity to whom he ministered during the dark days of the Japanese occupation of the Philippines, Corregidor and other Island strongholds.

HUGE TURN-OUT

More than 60 people attended the Oct. 23 meeting of the Consensus of the Congregational Church. Prominent speaker of the evening was Mr. Tobias Klinger, assistant to the U.S. attorney. His topic was "Work of the Office of the U.S. Attorney." The meeting was held at the home of Mrs. Grace Smith, 101 W. Bonita Ave. Refreshments were served by co-hostesses Dorothy Seifert, Lucille Price and Patsy Carlson.

Special Section For Garden Club

The Garden Club is arranging a special section at the Southern California Fall Flower and Garden Show, where members' entries will be exhibited. Mrs. Harold Spears heads the Club committee and will receive and take care of entries in their proper category. The Flower Show will be held Nov. 3 through 11, at Brookside Park, Pasadena.

EX-CITY ENGINEER HERE ON VISIT

Sam M. Graham, formerly of Sierra Madre, arrived by air from Honolulu, Wednesday, Oct. 24, to visit his aunt, Miss Thomasella Graham, of 349 N. Lima, for several weeks. Mr. Graham was city engineer of Sierra Madre from 1932 to 1941 and is now with the Civil Aeronautics Authority in Hawaii.

UNEXPECTED FLIGHT

Mrs. Doris Ullman, who said goodbye to her Japan-bound husband, Captain Sanford Ullman, last week, received a surprise phone call from him in San Francisco. Because Sandy was not due to leave for Japan until the week of Oct. 29, Mrs. Ullman flew to San Francisco on Friday, Oct. 26, to spend the weekend with him.

PRETTY VIRGINIA Goodhue Boller, former Rose Queen, looks over old John Muir College yearbook as she and Gunnar Watson, Muir Alumni president, plan the college's first Homecoming Weekend, Nov. 9 and 10. Virginia has been named Homecoming Queen.

SQUARE DANCE CLASSES DUE

Under the co-sponsorship of the Monrovia - Duarte Evening High School and the Monrovia Recreation Department, new square dance classes are scheduled to get under way this week and next.

An intermediate class begins Tuesday, Nov. 1; the beginners class starts Tuesday, Nov. 6; and an advanced class starts Wednesday, Nov. 7. Each class runs for ten weekly lessons and enrollment is open to all adults, regardless of residence. Registration is at 7:30 p.m. and all classes are closed after the second meeting.

Instruction is by Doc Alumbaugh of Arcadia, and classes are held in the cafeteria of the Monrovia - Duarte High School, Colorado and Madison, Monrovia. Beginners are especially invited and those who have dropped out of square dancing for a time will find that the intermediate class offers an excellent "refresher" course.

Community Center Meetings

For the next twelve Friday evening services of the Foothill Jewish Community Center, Dr. Charles Steckel, Rabbi, will base his sermons on "Stories and Tales of the Bible." These stories will be explained and interpreted for modern men.

Every second Tuesday in the month, the Adult Class will meet at the home of Mrs. Charles Singerman, 1236 Oakwood, Arcadia, at 8 p.m. Topics to be discussed are History, Literature and Current Events.

SORORITY ALUMNAE TO MEET NOV. 6

For the November meeting of the senior alumnae of Alpha Chi Omega in the Pasadena area a new plan is being tried. Members are asked to meet at eleven o'clock in the morning at the home of Mrs. John D. Wyatt, 2510 Las Lunas street, Pasadena, on Nov. 6, for the business meeting which will precede the luncheon scheduled for that day. Immediately following the luncheon, Mrs. Reser W. Keen, as guest speaker, will give a talk on Oberammergau.

Co-hostesses for the meeting include Mmes. Jack C. Arnold, Myron Smith, Paul Howe, A. E. Stein and Harold Wylie.

MEETING DATE CANCELLED

The Priscillas will meet Thursday afternoon, Nov. 1, instead of Nov. 8, at the home of Mrs. W. J. Miller, 67 W. Highland. Mrs. Ida Hartman will be co-hostess.

BAPTIST CHURCH ACTIVITIES

The Brotherhood of the First Baptist Church of Sierra Madre met Monday evening, Oct. 22, in the church parlors, 48 S. Baldwin. Speaker for the evening was Rev. Harold G. Searles, pastor of the Bethel Baptist Church of Pasadena. Mr. W. F. MacNeill was in charge of the dinner which was served and cooked by the men.

ENCINITAS VISITORS

Mrs. Lucille Waite, of Encinitas, has been a guest of the many members of the Lacey family in Sierra Madre and Pasadena.

"Very Good Lumber"

A new customer had us deliver an order of lumber. When he received for it he added the words, "Very good lumber."

It's our policy to ship lumber grades that please. That's important to the customer, who must depend on the integrity of the dealer. Lumber grades vary greatly.

LET US SERVE YOU.

JUNIOR RED CROSS, GIFT DRIVE STARTS

Sierra Madre's annual Junior Red Cross enrollment drive and gift box program will start today, Nov. 1, at the three local elementary schools.

Pupils throughout the United States and its possessions may enroll in school groups, not as individuals, and all activities are conducted as an integral part of the respective school programs, under the guidance of the Red Cross.

Membership enables boys and girls to cooperate with adult members of the ARC in its many humanitarian services. According to Mrs. Florence Peterson, ARC executive secretary, the Junior Red Cross believes every child has some contribution to make in the service to others and that his talents and skills should be measured by his own capacity for growth and not by the ability of his classmates.

Any money collected over and above the 50 cents per classroom enrollment fee is sent to the National Children's Fund, which, over the past six years, has spent more than \$9,000,000 for children in distress.

WHAT TO DO TO MINIMIZE SMOG DAMAGE

The Science of chiropractic is based on the concept that it is nature and not the doctor which heals. Obstructions to natural processes of the body produce sickness. Remove the obstructions and nature rapidly repairs the damage and resumes normal healthful functioning. The service of the doctor is to find and remove the obstructive factors or influences.

WHAT ARE SOME OF THE OBSTRUCTIONS TO HEALTHFUL FUNCTIONING?

To give a complete list of factors which are obstructive to health would require many pages and would be about as interesting as a dictionary. However, it may help to illustrate our concept by listing a few of the more commonly encountered obstructions.

Let us begin with the structures of the upper respiratory mechanism found in the nose and throat. This is especially important to smog breathers who must maintain all these tissues in the most healthful condition possible in order to avoid actual illness from irritation and damage by noxious substances. These tissues of the mouth, nose and throat are exposed to vast amounts of irritating and injurious substances contained in the air which we breathe. There are tonsils on each side of the tongue and numerous lymph nodes (glands) in the neck, all for the purpose of filtering out poisons and bacteria which are taken in through the mouth and nose. If the circulation away from the head and neck is impeded, blocked off or slowed down, there is an accumulation of these poisons in the tonsils and lymph nodes until they themselves become infected and swollen. Such a condition exists in colds, sore throat, quinsy, tonsillitis, middle ear infections, mastoid infections, sinus infections and conjunctivitis of the eyes.

Obviously the first and most important thing to do in all these conditions is to remove the obstructive factors which originally slowed down the circulation and permitted the filtering stations (tonsils and lymph glands) to become sluggish and stagnant.

WHAT CAN BE DONE TO REMOVE THE OBSTRUCTIONS?

Chiropractic treatments are the technique for removing the obstructive conditions which permit return of normal flow of the blood and lymph back from the head and neck to the liver and lungs for purification. When skillfully done it is a simple and painless procedure and results in an immediate feeling of improvement. More about this subject next week.

FOR WEIGHT REDUCTION, EAT HEARTY BREAKFAST

By ROY O. GILBERT, M.D.
Los Angeles County Health Officer

For weight reduction, eat a good substantial breakfast. Studies recently made at the University of Chicago and other research centers show that the individual who eats a good breakfast is much less liable to accumulate fat around the midriff than is the person who stuffs at dinner then staggers

Unbelievable as it seems, some people can lose weight without reducing the amount of food eaten—if not excessive, without appreciably altering the kinds of food consumed, and without resorting to either drugs or exercise. According to the latest word from food experts, it can be done by following the new eating pattern.

The secret of this controlled type of eating seems to depend on eating heavily during the early part of the day when the food is digested and absorbed by the daytime activity. Food eaten at night, shortly before going to bed or before an evening of rest, is largely digested and absorbed during sleep or relaxation. This is the time when the body has least need of fuel and when unnecessary food is most apt to be deposited on the body in the form of fat.

People who either skip breakfast or eat a skimpy one when trying to reduce are apparently using the wrong technique. Studies from Iowa State University show that the eating of heavy breakfasts does not put on extra pounds. Other significant results were also revealed. The craving for midday snacks and that "gone" feeling at lunchtime—which so frequently leads to over-eating, were completely eliminated.

It was also established that mental and physical efficiency are increased when a good breakfast is eaten. There is a greater work output—with fewer accidents for industrial workers, less morning hunger and consequently less faintness, nausea and mid-morning fatigue.

Proportionately about 25 per cent of the day's calories should be included in the daily breakfast which should also contain about one-third of the day's required amount of protein.

A good breakfast for an adult consists of whole grain or enriched cereal, milk, fruit or

fruit juice, the optional addition of toast with either fortified butter or margarine, and a beverage. Strangely enough, this breakfast was found to be more efficient than the heavier type of meal which included eggs, bacon or sausage. It seems that growing children are the only ones who actually need these particular foods at breakfast time. Efficiency or no, many adults will prefer to stick with their "ham 'n' eggs."

There is little doubt that the "nutritional effectiveness of the foods we eat depends to some extent upon the way they are distributed in the day's meals." This is the latest word issued by the Bureau of Human Nutrition in Washington and it adds up to good nutritional common sense. A good breakfast certainly leads to better health and is an easy way to keep or get a streamlined figure.

Booklets on planning a good breakfast will be mailed to anyone who sends a card of request to the Los Angeles County Health Department, 808 N. Spring street, Los Angeles 12.

PUBLISHER FIGHTS ATTEMPT TO LICENSE HIS NEWSPAPER

Refusal to pay an \$8 city business license on the part of Corona Daily Independent, who today stands one step nearer to the city councilmen that he filed suit in Justice Court last

is pending. Hammond does not stand alone in this legal test. The California Newspaper Publishers Association immediately rallied to his support and two hundred thirty-nine of its daily and weekly members contributed money to help Hammond carry the case to the United States Supreme Court. A majority of cities throughout the state assess similar licenses against newspapers.

General Manager John B. Long of CNPA has stated publicly that his organization opposes the practice of municipalities assessing business licenses against newspapers because the power to license also carries with it the power to refuse a license. Conceivably this could lead to political control of newspapers. Hammond has made it clear that he has no objection to paying taxes the same as any other business. But he does point to the difference between a tax and a license to operate.

After Corona City Attorney John Ganahl filed the suit in the Justice Court in an effort to force the newspaper to pay the license, CNPA's attorney, Gail Selig, filed an answer in which the allegations made by the city were admitted. However, Selig set up an affirmative defense by attacking the constitutionality of the city's right to levy the license.

Students Attend San Jose State

Two students from Sierra Madre are attending San Jose State College, which began its 94th year on Sept. 24. They are among the 6700 students enrolled in California's oldest public-supported college.

Sierra Madre students at San Jose are Dorothy G. Hill and Michael Suman.

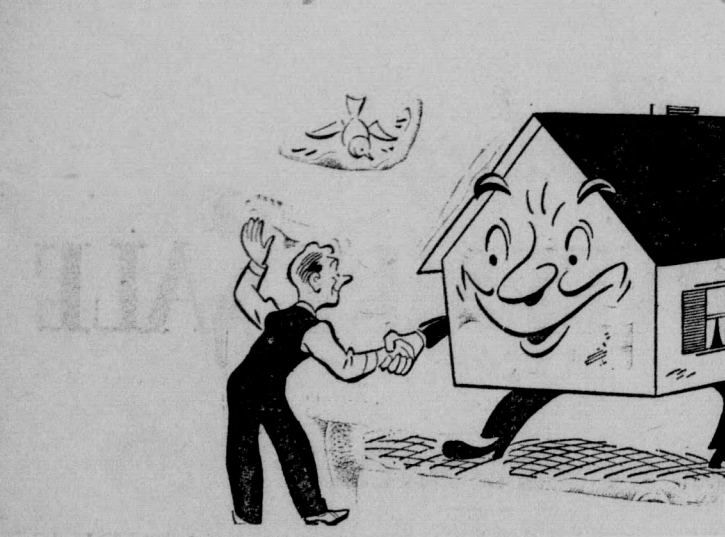

Dissonant Tone

Sierra Madre's police officers soon will be sporting shoulder patches on their uniforms.

The patches—the design of which depicts Sierra Madre's City Hall with mountains behind it—were authorized by the City Council. One hundred-seventy of the emblems were purchased, at 65 cents each.

Police Chief Gordon G. McMillan estimated that the supply would last three years.

Mrs. Dee McConnell, 100 N. Canon Drive, is visiting relatives and friends in Iowa.

"THANKS FOR THE PAINT JOB, BOSS!"

There's only ONE way to really change the appearance of your rooms and that way is the Fuller Paint way. Our Ful-Color Paint will give your rooms new interest . . . make them bright and cheerful . . . make indoor living exciting. Ful-Color is washable, too.

Stop in—talk over your redecorating plans with our friendly staff today.

Police Will Have Shoulder Patches

Sierra Madre's police officers soon will be sporting shoulder patches on their uniforms.

The patches—the design of which depicts Sierra Madre's City Hall with mountains behind it—were authorized by the City Council. One hundred-seventy of the emblems were purchased, at 65 cents each.

Police Chief Gordon G. McMillan estimated that the supply would last three years.

Mrs. Dee McConnell, 100 N. Canon Drive, is visiting relatives and friends in Iowa.

Local Bankers. Attend Annual Bank Meet

D. H. Allen and W. H. Ingraham of the Bank of Sierra Madre attended the annual agricultural conference of the Independent Bankers Association of Southern California, held last week at Arrowhead Hot Springs Hotel in San Bernardino. The afternoon session included a visit to the Exchange Orange Products Company plant in Ontario, where frozen orange juice and other by-products are manufactured by the California Fruit Growers Exchange. The dinner and evening session featured an address on current agricultural problems of the area by Ralph LaRue of the Agricultural Extension Service, a joint project of the U.S. Department of Agriculture and the University of California.

Troop One Will Camp

Troop 1, Boy Scouts have been conducting for the past four weeks a patrol leaders' and assistant patrol leaders' training class in their Scout room at the Congregational Church.

The course included a hike to Hennigan Flats where the boys learned how the U.S. Forest Service starts trees for forest conservation purposes. The troop is planning another camping trip for this weekend at Luke Gervais' ranch.

These activities are helping to get Troop 1 ready for the Scouting Caravan, scheduled for Nov. 23-26, according to Ralph Huwit.

Scouting in Sierra Madre is made possible largely through the Community Fund donations made by residents. The annual appeal for funds is now under way.

GIRL SCOUT NOTES

The Girl Scout Father-Daughter dinner will be held Thursday, Nov. 1, in St. Rita's hall at 6 p.m. Each troop will be responsible for the decorations on its table.

Two special exhibits are on display in honor of Girl Scout Week. Troop 15 has made a model camp complete with unit house, flag, river, camp fires, bed rolls and scouts in action which can be seen in Jones' Real Estate Office. Troop 14 has made a mission scene which includes Indian-type pottery. This can be observed in the window of Mr. Lange's office.

The 12 girls of Troop 14 with their leaders, all in costume, attended the Frosty Frolics at the Pasadena Winter Garden on Halloween.

There will be a leaders' meeting and workshop on Wednesday, Nov. 7, from 9:30 to 11:30 a.m. at the home of Mrs. John Hildner.

Woods Helps Plan SC Homecoming

Alumni from classes of the past 70 years at the University of Southern California are being invited to attend four days of special events during the annual homecoming, beginning Nov. 7.

Among the several hundred alumni and student committeemen assisting in the program is John Woods of 102 E. Mira Monte. He is chairman of the class of '25 for the class reunions at the Biltmore Hotel.

Homecoming will be climaxed Saturday with a dance at the Deauville Club following the SC-Stanford football game.

Police Probe Hit-Run Case

Police last week were trying to track down a mysterious "night rider" whose car rammed into a parked car in the wee small hours of Friday morning.

The driver was termed "hit and run" because he neglected to stop and talk things over with the owner. The damaged auto was owned by the mother-in-law of T. L. Chase and was parked in front of 155 S. Baldwin avenue.

"We couldn't get a description of the car because we all were asleep," Mr. Chase told officers.

JUDGE RULES

From Page One

lieve a person can build two houses on his property if he has 15,000 square feet and abides by the front, side, and rear yard requirements.

This view has been shared by City Attorney T. Guy Cornyn and one or two other city officials responsible for interpreting the zoning ordinance. The Thurburs say they were told by the Planning Commission and Mr. Cornyn that their proposed building was within the meaning of the law.

Mr. Cornyn said Tuesday that the court's decision would mean that Sierra Madre's zoning ordinance probably would have to be amended or a clarifying ordinance adopted.

The ruling by Judge Swain would have no retroactive effect, however, he said.

The hearing Friday was called after a number of property owners in the Thurburs' neighborhood protested the second dwelling on the parcel of land.

Paint, Wallpaper Store Coming Here

A paint and wallpaper store will open soon in the building formerly occupied by Pollock's Market, 35 N. Baldwin avenue.

The business, owned by Ray Schwab, will be called the Sierra Madre Paint and Wallpaper Store. Tentative opening date has been set for Nov. 15, Mr. Schwab said.

Planners Ask Heliport For Town

A heliport for Sierra Madre was suggested by City Planner W. E. Bowers last week.

Mr. Bowers made the recommendation during his report on a Planning Commission meeting at which the heliport idea was expounded.

He estimated that it would take an area 200 by 200 feet.

Planning Commission Chairman Mrs. Robert Wright pointed out that a heliport would be especially desirable as a preparation against disasters. If all other means of transportation were cut off, the port still could be used to fly in medical supplies.

Mr. Bowers explained that although it now takes only four hours to fly to New York by jet plane, one fourth of this time is spent in getting to and from the airports.

In discussing possible sites for a heliport here, Councilman Noren Eaton said the city baseball field probably is the most suitable one. "And if the field must be saved for water purposes," he said, "that would be ruled out."

The Planning Commission voted to send a letter to the council urging consideration of a heliport site.

GOVERNOR EARL WARREN confers with "Official Greeters" on his first day in office as California Chairman for the 1952 March of Dimes. Discussing the new iron lung coin collector with the governor are young Sacramento polo victims (left) Richard Premock, 9, and Johnny Sharp, 6. Coin collectors will be used in the March of Dimes appeal, January 2 to January 31. As California Chairman, Governor Warren will coordinate the work of campaign directors in counties and cities throughout the state.

YOUNG GOP

From page one

Elizabeth Laine of Monrovia, waved tiny American flags during their frequent outbursts.

The incident last week is "of vital concern to all free people," the resolution said, "because the destruction of one freedom anywhere is the destruction of freedom everywhere."

By calling the UNO communistic, the hecklers played into the hands of the Communists, it pointed out.

Asking that information showing the "true perspective" and facts of the United Nations' work and progress be made available, the club suggested that all concerned people of the community take it upon themselves to learn the "necessary truths of democracy and their implementation by the United Nations."

Immediately putting their suggestion into action, the club members subscribed to the United Nations Bulletin for the Sierra Madre Public Library.

The newly-formed club will apply for its charter at next Tuesday's meeting. Residents wishing to become charter members of the club are asked to contact Wanda Stevens, 252 Mariposa, before Tuesday. Hereafter, meetings of the group will be held on the third Monday of each month, 8 p.m., at the Parkhouse.

An important change in the California Motor Vehicle Code last week makes it mandatory for motorists to complete a full stop on meeting or passing school buses displaying flashing red lights visible from the front and rear. Vehicles must remain standing until flashing lights cease, which indicates children have finished entering or alighting from the bus.

Effective Sept. 22, motorists proceeding at less than normal speed of traffic—notwithstanding established speed limits—will be required to drive on right-hand lanes except when overtaking other vehicles or preparing for left turns.

CITY ATTORNEY STUDIES NIGHT PARKING CHANGE

City Attorney T. Guy Cornyn this week was studying a possible change in Sierra Madre's traffic ordinance affecting night parking. The suggested amendment was recommended by Police Chief Gordon G. McMillan, who said some provision should be made for so-called "hardship cases"—people who actually have no night off-street parking facilities.

Under the present ordinance, one-hour parking is imposed between the hours of 1 and 4 a.m., which, in effect, prohibits overnight parking on the street.

Chief McMillan pointed out that this works a hardship on certain people and, if these cases are overlooked, other people who also would like to leave their cars out overnight have a just complaint.

He suggested that a "limited period" permit be authorized for people who definitely have no driveway or garage space. A fee would be imposed with this permit, and the person could have a window tag showing that he was entitled to leave his car out in the street.

"It would be nice if we could get all cars off the streets at night," Mr. McMillan said.

"But since we can't, there should be some provision for those who have legitimate reasons for leaving them out."

It also would do away with the appearance of "playing favorites," he said, when some cars get tagged and some do not.

"The law as it is now could be enforced, but we don't because it creates a hardship on so many," the chief explained.

"If no one enforces the present ordinance, let's repeal it," stated Councilman Noren Eaton. "Either repeal it or put it into effect."

Mr. Cornyn will make a recommendation on the matter at the next meeting of the council.

CAMP FIRE PARTY

The Tama Pit Kins Group of the Camp Fire Girls were entertained with a taffy pull by one of their new members,

Jean Woodruff, 500 E. Grandview. Fourteen girls and their leaders, Mrs. John Rudbush and Mrs. Franklin Franco, were present.
